(h) In any case in which it appears to the regional director that the proceeding raises questions which should be decided by the Board, he may, at any time, issue an order, to be effective after the close of the hearing and before decision, transferring the case to the Board for decision. Such an order may be served on the parties upon the record of the hearing.

(i) If any case is transferred to the Board for decision after the parties have filed briefs with the regional director, the parties may, within such time after service of the order transferring the case as is fixed by the regional director, file with the Board the brief previously filed with the regional director. No further briefs shall be permitted except by special permission of the Board. If the case is transferred to the Board before the time expires for the filing of briefs with the regional director and before the parties have filed briefs, such briefs shall be filed as set forth above and served in accordance with the requirements of paragraph (k) of this section within the time set by the regional director. If the order transferring the case is served on the parties during the hearing, the hearing officer may, prior to the close of the hearing and for good cause, grant an extension of time within which to file a brief with the Board for a period not to exceed an additional 14 days. No reply brief may be filed except upon special leave of the Board.

(k)(1) All documents filed with the Board under the provisions of this section shall be filed in eight copies, double spaced, on 8½ by 11-inch paper, and shall be printed or otherwise legibly duplicated. Carbon copies of type-written materials will not be accepted. Requests for review, including briefs in support thereof; statements in opposition thereto; and briefs on review shall not exceed 50 pages in length, exclusive of subject index and table of cases and other authorities cited, unless permission to exceed that limit is obtained from the Board by motion, setting forth the reasons therefor, filed not less than 5 days, including Saturdays, Sundays, and holidays, prior to the date the document is due. Where any brief filed pursuant to this section exceeds 20 pages, it shall contain a subject index with page authorities cited.

(2) The party filing with the Board a request for review, a statement in opposition to a request for review, or a brief on review shall serve a copy thereof on the other parties and shall file a copy with the regional director. A statement of such service shall be filed with the Board together with the document.

(3) Requests for extensions of time to file requests for review, statements in opposition to a request for review, or briefs, as permitted by this section, shall be filed with the Board or the Regional Director, as the case may be. ### **§ 102.69 Election procedure; tally of ballots; objections; certification by the regional director; report on challenged ballots; report on objections; exceptions; action of the Board; hearing.**

(a) Unless otherwise directed by the Board, all elections shall be conducted under the supervision of the Regional Director in whose Region the proceeding is pending. All elections shall be by secret ballot. Whenever two or more labor organizations are included as choices in an election, either participant may, upon its prompt request to and approval thereof by the Regional Director, whose decision shall be final, have its name removed from the ballot: *Provided, however,* That in a proceeding involving an employer-filed petition or a petition for decertification the labor organization certified, currently recognized, or found to be seeking recognition may not have its name removed from the ballot without giving timely notice in writing to all parties and the Regional Director, disclaiming any representation interest among the employees in the unit. Any party may be represented by observers of its own selection, subject to such limitations as the Regional Director may prescribe. Any party and Board agents may challenge, for good cause, the eligibility of any person to participate in the election. The ballots of such challenged persons shall be impounded. Upon the conclusion of the election the ballots will be counted and a tally of ballots prepared and immediately made available to the parties. Within 7 days after the tally of ballots has been prepared, any party may file with the Regional Director an original and five copies of objections to the conduct of the election or to conduct affecting the results of the election, which shall contain a short statement of the reasons therefor. Such filing must be timely whether or not the challenged ballots are suffi-

cient in number to affect the results of the election. A person filing objections by facsimile pursuant to §102.114(f) of this part shall also file an original for the Agency's records, but failure to do so shall not affect the validity of the filing by facsimile, if otherwise proper. In addition, extra copies need not be filed if the filing is by facsimile pursuant to §102.114(f) of this part. The Regional Director will cause a copy of the objections to be served on each of the other parties to the proceeding. Within 7 days after the filing of objections, or such additional time as the Regional Director may allow, the party filing objections shall furnish to the Regional Director the evidence available to it to support the objections.

(b) If no objections are filed within the time set forth above, if the challenged ballots are insufficient in number to affect the results of the election, and if no runoff election is to be held pursuant to §102.70 of this subpart, the regional director shall forthwith issue to the parties a certification of the results of the election, including certification of representative where appropriate, with the same force and effect as if issued by the Board, and the proceeding will thereupon be closed.

(c)(1) If timely objections are filed to the conduct of the election or to conduct affecting the results of the election, or if the challenged ballots are sufficient in number to affect the results of the election, the regional director shall, consistent with the provisions of §102.69(d) of this subpart, initiate an investigation, as required, of such objections or challenges.

(2) If a consent election has been held pursuant to §102.62(b) of this subpart, the regional director shall prepare and cause to be served on the parties a report on challenged ballots or on objections, or on both, including his recommendations, which report, together with the tally of ballots, he shall forward to the Board in Washington, DC. Within 14 days from the date of issuance of the report on challenged ballots or on objections, or on both, any party may file with the Board in Washington, DC, exceptions to such report, with supporting documents as
